

# Collaborative Encyclopedia of Plants PEPINATURE

Welcome!

[Pepinature.org](https://pepinature.org) is a community encyclopedia for the general public, experimental, on the plant world, which can be consulted and edited by all, so that everyone can contribute their knowledge and experience to others.

The infrastructure of this project is provided by the nursery [PEPINATURE](#) (in development).

-A Telegram group [is available](#) to exchange instantly with the editors and readers of the PEPINATURE community.

-For those who are trying to adapt species to their hardiness zone, another Telegram group [is available](#) to exchange with the [acclimates](#) community.

## Fruit tree index

The index of fruit trees has been moved to [this page](#).

## Limitations

-All copyrighted images remain the property of their respective authors, and their publication is the responsibility of each editor. On this public collaborative publishing tool, each contributor is responsible for what he publishes and is the editor.

-The media manager is disabled in order to save disk space and resources on the site's server, as well as to avoid any legal problems.

To share your images you will have to use an external provider and copy the web address of the image to allow visibility on the wiki.

-The possible integration of commercial links and affiliation within the contents, by the editors, is subject to authorization by PEPINATURE, by contacting the site administrator. Without written agreement, these practices are prohibited.
